

Ladies Night Out

IT'S KARAOKE FOR MOMS!

At Sharkey's Cuts for Kids, we invite the moms to have an extra special "Girls night out"!

The night takes place in our special "Glamour Girl" dressing room...where you and your friends will be treated like a star.

Each lady will enjoy a wonderful evening of food, laughter, drinks, and then Karaoke until your voices say "no more"! Each lady will leave with a recorded tape of all her songs, along with a silly snapshot up on stage singing her favorite tunes!

The evening includes:
Use of the glamour room for 3-4 hours
Karaoke (unlimited)
Take home Video & Pictures
One tan per lady compliments of Bahama Tans
Red & White Wine
Sushi or Chinese Food

All you need to provide is the date of the event, and of course the menu.
